Thank you for introducing us to the magic that is Ireland. We loved our tour and excellent accommodations, and also your great history, political insights and even your jokes. You have been very attentive to our needs. We have appreciated your "off the route" suggestions such as Newgrange and Valentia Island. Many thanks for a great vacation.

Michael fast became a favourite of each person in our group. He was not only an excellent tour guide but a great pub companion and just a fine person to be around. His wit and humour made our time in the vehicle very enjoyable. A superb Trip

Just a note to say a huge thank you from our group of pensioners who experienced a lovely musical pub tour with yourself and the team. Everyone in the group was delighted with the content of the tour, the friendliness of the people involved and were all exhausted by the time they reached home – which is always the sign of a great holiday. All are now asking "when is the next trip?"
Rita Andrews, Southwark Irish Pensioners Project, London, UK
